the dismissal was dated — NOV 20, 2003 not march 2003  
I would process the application again to reopen the case  
now that I have my Right to sue letter from the (ECDC)  
under the statute, I had less than a year to file this  
~~sued~~ Complaint at court. I was in the time frame  
of Nov 03 to Nov 04 to accomidate this case  
The ECDC Never gave a letter to the (MCAD), of a right  
to sue letter and I never recieved a letter from them.

When I had a Post office box the postal service  
Closed out my ~~is~~ box too early and I never recieved  
my right to sue letter. it was UNABLE to Forward  
Send back to sender. A copy of the postage of mailing  
is attached. Please again Accomidate this complaint

I think a NEW Judge might be needed

## THE EEOC IS CLOSING ITS FILE ON THIS CHARGE FOR THE FOLLOWING REASON:

The facts alleged in the charge fail to state a claim under any of the statutes enforced by the EEOC.

Your allegations did not involve a disability as defined by the Americans with Disabilities Act.

The Respondent employs less than the required number of employees or is not otherwise covered by the statutes.

Your charge was not timely filed with EEOC; in other words, you waited too long after the date(s) of the alleged discrimination to file your charge.

Having been given 30 days in which to respond, you failed to provide information, failed to appear or be available for interviews/conferences, or otherwise failed to cooperate to the extent that it was not possible to resolve your charge.

While reasonable efforts were made to locate you, we were not able to do so.

You were given 30 days to accept a reasonable settlement offer that affords full relief for the harm you alleged.

The EEOC issues the following determination: Based upon its investigation, the EEOC is unable to conclude that the information obtained establishes violations of the statutes. This does not certify that the respondent is in compliance with the statutes. No finding is made as to any other issues that might be construed as having been raised by this charge.

The EEOC has adopted the findings of the state or local fair employment practices agency that investigated this charge.
